Medicaid Offers New Services

for Children with Chronic Health Conditions

Do you have a child who...

- is on Medicaid or eligible for Medicaid **AND**
- has two or more chronic health conditions (e.g., diabetes or asthma) or
- has HIV/AIDS or Serious Emotional Disturbance or Complex Trauma?

Find out how **Lutheran Social Services of New York's Health Home Care Management program**, a member of the Collaborative for Children & Families (CCF), can help you get quality health care for your child.

Call LSSNY at: 646.790.6587

Faith Chambers-Gordon, Director of Health Services, can answer your questions and help you enroll in the program.
